

INFORMATION FOR SPONSORS AND EXHIBITORS

15th International Symposium on Diagnostics for Electrical Machines, Power Electronics and Drives

Dallas, Texas | 24 – 27 August 2025

Sponsors: IEEE Power Electronics Society, IEEE Industry Applications Society, IEEE Industrial Electronics Society

About the Symposium

The 15th IEEE International Symposium on Diagnostics for Electrical Machines, Power Electronics & Drives (SDEMPED 2025) aims to provide a high-level international forum for researchers, professionals, and in general for specialists in diagnostics and monitoring of electrical machines, power electronics, adjustable speed drives and related areas. It is an excellent opportunity to present and discuss the latest developments and to exchange ideas and results. Topics within the scope of the symposium are related to electrical machines, power electronics, electrical drives, tools for diagnostics, materials for electrical machines and predictive maintenance.

Reasons to Participate

Participating in this prestigious scientific event is a high-impact, high profile marketing technique that brings influential professionals to your exhibit. Therefore, sponsorships can help creating awareness of their company's presence at the show and also take full advantage of the networking and sales opportunities that the SDEMPED 2025 will bring.
